

Fire Service Technology

Application for Equivalency

When qualified, the candidate will receive an equivalency certificate to allow testing at the next higher level. The equivalency certificate is only valid in the local jurisdiction and it does not represent IFSAC certification.

Please fill out this form and have your Fire Chief or Training Officer complete the information needed, sign, and return to:
Mariha Berrett, Testing Coordinator

Fire Service Technology
1600 S 25th E

Idaho Falls, ID 83404
